Dear Sir / Madam,

We would like to invite you to two exciting events that will take place in Vilnius, Lithuania this September: Investor Camp and Startup Fair!

### **INVESTOR CAMP** September 6th

The event for business angels and VCs to learn, discuss, connect, network and get to know each other. This is a great opportunity to meet the most relevant people investing in startups in the region, learn more about the booming startup scene, and connect with the local community.

The event program consists of two parts: first, a special conference for investors, and second, a dinner and networking.

Don't miss the chance to buy an early bird ticket!
